1) Operating hours and associated traffic.

Possible street parking as each new house only has two designated parking places.
Better than what's there now or previous housing plans.
Improvement of street scene.
Good for Weybread.
Local employment opportunities.
Solar panels for factory roofs to lessen demand on local infrastructure.

2) Operating hours / amount of traffic.

Drainage.
Old factory contamination.
Any benefits for Weybread?
Big improvement on present situation.
Refurbishment of two cottages outside the planning proposals incl. time frame
Planning proposals need to be adhered to – no amendments.
Help with speeding issues – cameras / signs.
What will happen to the vacant field outside the present planning proposals.

3) Increase in HGVs and too many.

Wrong factory location – not within a village.
Empty field could mean expansion in the future.
Local roads not suitable for HGVs.
Ruin Weybread.
No benefits for Weybread on offer

4) Devaluation of properties

Not enough detail in planning proposals.
